### **Announcement of acquisition of land for factory expansion of SIIX EMS MEXICO, S. de R.L de C.V.**

SIIX Corporation hereby announces as described that our subsidiary, SIIX EMS MEXICO, S. de R.L de C.V. (hereinafter “SEM”), has decided to acquire a new factory site in the vicinity of the current factory.

SEM, our manufacturing plant in Mexico, has been operating in San Luis Potosi, central Mexico since 2014, and its operation was expanded at a second building on the same site in 2019. SEM is producing electronic board mounted products mainly for the North American market, mainly in the field of automotive-related equipment.

With the expansion of the factory site, the company will be able to meet the ever-increasing needs for electronic board mounting.
