(Correction) Partial Correction to “Matters Concerning Controlling Shareholders, etc.”

SIIX CORPORATION (hereinafter “the Company”) hereby corrects the following errors found in “Matters Concerning Controlling Shareholders, etc.,” which was announced on March 26, 2026. The corrected sections are indicated with underlines.

(Before the correction)

1. Trade names, etc. of the parent company, controlling shareholders (excluding parent company) or other affiliates

Name	Attribute	Ratio of voting rights held (%)			Financial instruments exchanges, etc., on which the issued shares, etc. are listed
		Voting rights directly held	Voting rights subject to aggregation	Total	
SAKATA INX CORPORATION	Other Affiliated Company	<u>22.94</u>	—	<u>22.94</u>	Prime Market of the Tokyo Stock Exchange, Inc.

2. Position of the Company in the corporate group of the parent company, etc., and other relationship between the Company and the parent company, etc.

Due to the fact that the Company was spun off from SAKATA INX in July 1992, as of December 31, 2025, they hold 22.94% of voting rights of the Company, making it their equity-method affiliate. The Company serves as an export agent for some regions regarding the sales of SAKATA INX's main product, printing inks. However, the amount of purchases from SAKATA INX for the fiscal year ending December 2025 (from January 1, 2025, to December 31, 2025) accounts for a negligible 0.18% of the Company's consolidated total purchases. (Omitted below)
